Handicap Parking Sign Request Instructions

Please follow the procedure listed below for all Handicap Parking Requests by City of Bridgeport residents:

1. Submit a City of Bridgeport Handicap Parking Sign application to:

Dennis C. Scinto Jr.
Office for Persons with Disabilities
752 East Main St.
Bridgeport, Ct. 06608

2. Please attach a copy of your current Drivers License and your valid Handicap Parking permit for your vehicle.
3. Your application along with copies of your Driver's license and Handicap Parking permit will be forwarded to the Board of Police Commission's liaison of the Bridgeport Police Department, which will then be forwarded to the City's Traffic Engineer.
4. Once your request is reviewed, an on-site visit will be conducted to determine, if your request meets the City's requirements.
5. The Liaison for the Board of Police Commission will then send you a letter informing you, if your request has been approved or disapproved.ⁱ

Please Note: As per City Ordinance 10.30.10, anyone with a valid handicap Parking Permit can utilize the space that you have requested. The space can't be reserved for a particular individual.

ⁱ This process can take between 3-5 months to complete
